## GYNAECOLOGY

VENDOR NUMBER:

CSD: MAAA0020352 / LIFE: 558SUR120 / MEDICLINIC: 218556

LICENCE TO MANUFACTURE SAHPRA 00002058MD

LICENCE TO WHOLESALE SAHPRA 00001974M

ISO 13485:2016

ISO 9001:2015

**We can assist with finance options on any of the non-disposables below.**

# Equipment

## LLETZ SYSTEM / LEEP

- Integrated Precision system: Electrosurgical unit 120W including smoke evacuator
- Starter pack included

## COLPOSCOPE

- Optical unit with optional
- Beam-splitter
- CCD adaptor and HDMI camera

## DIGITAL ELECTRONIC COLPOSCOPE

- HD 1080P imaging
- True-color LED lighting
- PACS compatible

## SMOKE EVACUATOR

- Dynamic video processing
- State picture processing

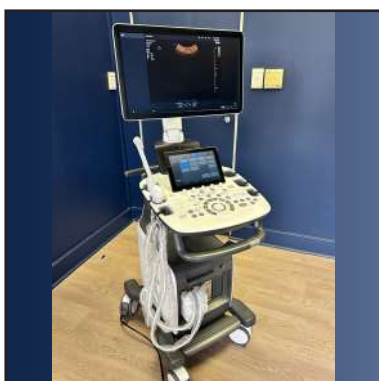

## THERMAL ABLATION

- C3 the mobile solution
- Choice of power source
- Heat protection
- LED illumination
- HLD Disinfection

## MEDGYN MTA-100 THERMAL ABLATION SYSTEM

- Optimized to offer 20,40, or 60 second intervals for procedure
- Bright LED lights
- Digital display
- Durable and ergonomic handle

## NEW & REFURBISHED ULTRASOUND MACHINES AND PROBES

- Wide range of models available: Samsung, Philips, GE, Toshiba, Aloka, Medison, Terason & Contec
- Visit [www.sonarshop.co.za](http://www.sonarshop.co.za) for details.

## PORTABLE PHLEGM SUCTION UNIT

- Oilless vacuum pump
- Stable, durable, pollution-free
- Stepped negative pressure regulator
- Medical vacuum gauge
- Accurate pressure adjustment

## ELECTRIC MULTIFUNCTIONAL OPERATING TABLE

- Controlled by an electric footswitch
- Can adjust to various postures
- Adjustable handrail
- Built-in large-capacity battery with low battery warning

### HYSTEROCASE FULL SOLUTION

- **HD Endoscopic Camera**  
SystemInterface: USB3.0  
Video Format: 1920 x 1080 @ 30 fps,
- **Light source**
- **Camera Software**
- **Optic rigid 30°**
- **Hysteroscope Meyona Inner Sheath**, with channel for semirigid 5 Fr operating instruments;
- **Outer Sheath**, size 5 mm, with 1 stopcock and 1 LUER-Lock adaptor, for use with Inner SheathAutoclavable
- Universal handle with Biopsy forceps and scissors included.

### UV STERILISER

- 15W UV Steriliser

### DIAGNOSTIC HYSTEROSCOPE

- No assembly and preoperative preparation time
- No uterine dilation to take
- No anesthesia, convenient operation
- Integration of outpatient diagnosis and treatment
- Reduces the number of hospitalization days or eliminates the need for hospitalization

### DESKTOP AUTOCLAVE (certified) 16l

- The autoclaves are constructed with both Microprocessor and Traditional Mechanical designs except SA-230
- They offer advantages such as power conservation, water conservation and reduced maintenance due to less parts
- Control panels are designed with simple controls for basic sterilization tasks

### Co2 FRACTIONAL LASER SYSTEM

- FG900-5 laser system
- Fractional Co2 laser for vaginal tightening
- Fractional Co2 laser for facial treatment
- Fractional Co2 laser for vulva treatment
- Co2 laser for surgery

# Consumables

## STEEL SPECULUMS

- Sizes Available: Small, Medium, Large
- Various models available

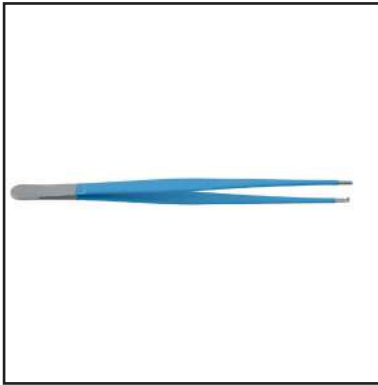

## ESU SPECULUM

- Graves Coated (Vu-Max)
- Various models available

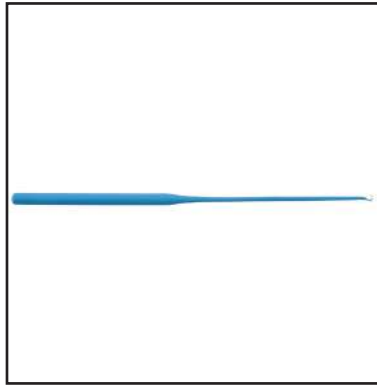

## ESU SPECULUM

- Pederson Speculum with smoke tube
- Stainless Steel (LEEP Coated)
- Various models available

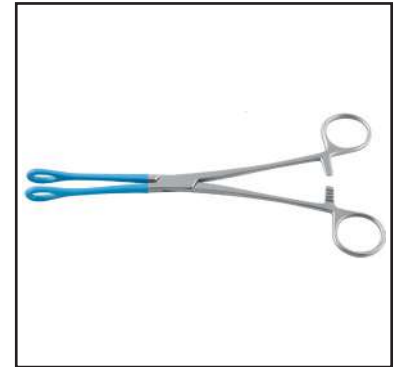

## TISSUE FORCEPS

- Exposed Tip
- Various sizes available

## IRIS HOOK

- Durable coating designed to insulate against transmission of electric current
- Ensuring the highest level of protection for patients and physicians

## RING FORCEPS

- Durable coating designed to insulate against transmission of electric current
- Ensuring the highest level of protection for patients and physicians

## DENTAL SYRINGE

- Dental Syringe also used by dentists for the injection of an anesthetic
- It consists of a breech-loading syringe fitted with a sealed cartridge containing anesthetic solution

# Disposables

## ENDOMETRIAL CELL SAMPLER

- Non-traumatic rounded tip
- Precision graded cylinder
- Sealed sterile gasket
- 3.1 mm outer diameter
- Sterile, ethylene oxide (EO)

## POCHE PERFORATOR

- Used to rupture the maternal amniotic sac
- 260mm long
- Hard plastic material
- Single-use sterile with EO
- Individually packed

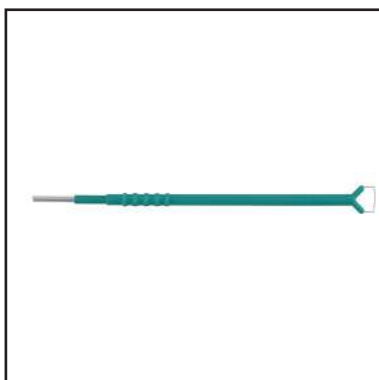

## SMEAR BRUSH

- Perfect for hypertrophic cervixes, collects samples from ectocervix and canal
- Flexible and dense bristles ensure great material adhesion
- 20,5 cm long handle

## BIOPSY PUNCH

- Stainless steel cutter tip
- Protective Cap
- Sterile
- No: 2-3-4-5

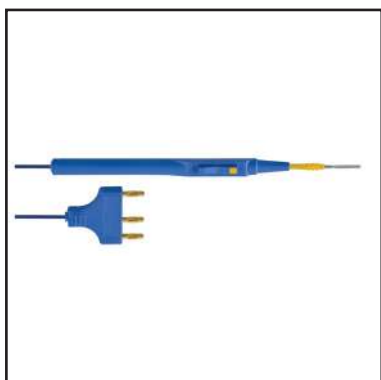

## LOOP ELECTRODE

- Used to remove tissue using a wire electrosurgical loop where the current excises the tissue and cauterises the area
- Made of high-quality Tungsten wire

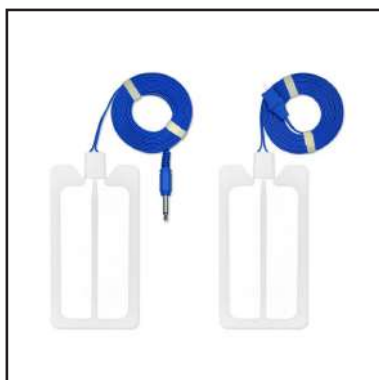

## BALL ELECTRODE

- Designed to evenly distribute energy in a diathermy circuit
- Allowing for precise and efficient control of tissue coagulation and cutting

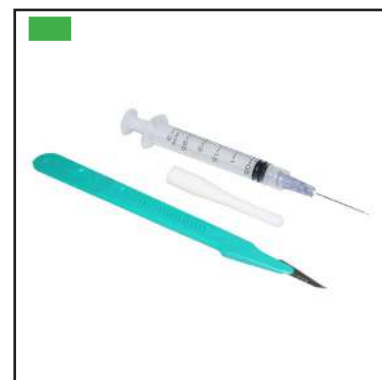

## FINGER SWITCH PENCIL

- Rocker-Switch Pencil
- Single use
- Various models available

## ESU PATIENT GROUNDING PLATE

- Available with different machine connectors
- Monopolar and Bipolar available

## WORD CATHETER FOR BARTHOLIN'S ABSCESS

- Includes balloon catheter, syringe and scalpel
- 100% silicone made catheter
- Effective office treatment

### PLASTIC SPECULUMS

- Sizes Available: Small, Medium, Large
- Various models available

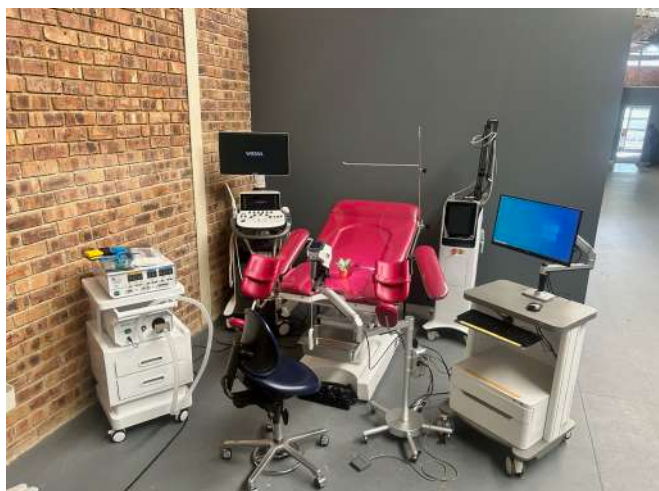

### SONAR PRINTER PAPER

- Print quality: 104 prints / A7 prints
- Paper size: 84mm (W) x 12.5m
- Sold per roll
- S; HG or HD

### SONAR GEL

- Sticky consistency
- Non-dripping or running off
- Shelf life 5 years
- Used within 28 days

## YOUR COMPLETE COLPOSCOPY CLINIC SOLUTION

### Precision, Comfort & Innovation – All in One Package

Transform your gynaecological practice with a fully equipped, state-of-the-art Colposcopy Clinic Solution, designed to deliver excellence in diagnostics, treatment, and patient experience.

- ☒ **Integrated Electrosurgical & Smoke Evacuation Unit**  
 A modern all-in-one system combining advanced electrosurgical functions with a high-efficiency smoke evacuator – ensuring precise surgical performance with a cleaner, safer working environment.
- ☒ **Electric Procedure Bed with Foot Extension**  
 Fully adjustable for optimal patient positioning and clinician comfort. Includes footpiece extension – built for smooth work-flows and ergonomic access during gynaecological procedures.
- ☒ **Digital Colposcopy & Hysteroscopy Workstation**  
 High-resolution digital colposcope with optional hysteroscope integration. Enables real-time imaging, accurate diagnosis, and digital documentation in one seamless unit.
- ☒ **Gynaecological Fractional CO<sub>2</sub> Laser**  
 Advanced laser therapy for non-invasive treatment of vaginal rejuvenation, dysplasia, and lichen sclerosis. Offers multiple modes for precision treatment with minimal downtime.
- ☒ **Ultrasound Imaging System**  
 Reliable, high-resolution ultrasound for abdominal and trans-vaginal scanning – supporting diagnostic confidence and clinical versatility across your practice.

### Why Choose Our Complete Solution?

- ☒ Streamlined design for efficient room layout
- ☒ Compliant with latest health and safety standards
- ☒ Upgradeable options to grow with your practice
- ☒ Backed by expert technical support and service

# GYNECOLOGY DISPOSABLES

## 1. Examination & Procedure Disposables

- Disposable Speculums
  - With chimney (e.g. Dr Wethmar)
  - Small / Medium / Large – box of 100
- Disposable Os Finder Set (sterile) – Set of 3, 10 per box
- Ultrasound Gel
- Ultrasound Paper
- Gauze N/S 100 x 100 x 8 ply
- Papsmear Rovers Brushes
- Pipelle Endometrial Cell Samplers
- Endocell Endometrial Cell Samplers
- Lubricating Jelly (sterile sachets)
- Cotton wool balls (sterile and non-sterile)
- Iodine sticks / Povidone-iodine swabs
- Cervical dilators – disposable (Hegar type)
- Disposable uterine sound
- Disposable curettes (sharp/blunt)
- Specimen containers (urine, biopsy, swabs)
- Endometrial brushes / Cytobrushes
- Disposable suture removal kits
- Scalpel blades (sterile, single-use)
- Syringes (3ml, 5ml, 10ml, 20ml)
- Needles (short/long, various gauges)
- Local anesthetic ampoules (e.g. Lignocaine)
- Amniotic membrane rupture hooks (Amnihook)

## 2. Minor Surgery & Electrosurgical Disposables

- Electrosurgical Loops
  - 10x10mm, 15x10mm, 15x12mm, 20x8mm, 20x12mm, 20x15mm
- Ball Electrodes
  - 3mm x 12cm, 5mm x 150mm
- Electrosurgical Pencil (push button hand switch)
  - 3-prong plug, 70mm
- Grounding Pad Cord for Bipolar
- Adult, Monopolar Horizontal
- Adult, Monopolar Vertical with cable
- Disposable cautery pens (battery operated)

## 3. Disinfection & Infection Control

- Sterifog Disinfectant Spray
- Disinfectant Wipes
- Disinfectant – Bioscrub / Hibiscrub
- Gloves (latex/nitrile, sterile and non-sterile)

- Disposable aprons, gowns, caps, and shoe covers
- Face masks and visors
- Disposable underpads / bed liners
- Electrodes Adult = 50's
- Electrodes Paed 50's
- ET Tube 2 - 9 - cuffed and uncuffed

## 4. Reproductive Health & Biopsy

- Biopsy Punch (Stainless steel – gold plated or disposable)
- Single-tooth Tenaculum (Coated)
- Emmett Hook (Coated)
- Bartholin Gland Sterile Removal Set (Medgyn)
- Uterine Manipulator Set

## 5. Vaginal Retractors & Speculum Sets (Coated & Steel)

- Graves Speculum Coated/Insulated – Small, Medium, Large
- Graves Stainless Steel Speculum – Small, Medium, Large
- Lateral Vaginal Retractors (Coated/Insulated)
  - 1" open, Medium open, Wide open

## 6. Obstetrics & Monitoring

- NST Monitoring Belts (Disposable)
- Fetal Doppler Probe Covers
- Urine dipsticks (protein/glucose/pregnancy)
- Umbilical Cord Clamps
- Perineal irrigation bottles (disposable)
- Obstetric delivery kits (pre-packed)

## 7. Ventilation & Suction Disposables

- Filter Assembly with Filter & Corrugated Tubing (LOCAL)
- Dental Stainless Steel Syringe
- Dental Needles – Long

# GYNECOLOGICAL ONCOLOGY DISPOSABLES

## 1. Diagnostic & Screening Tools

- Papsmear Rovers Brushes
- Endocell / Pipelle Samplers
- Biopsy Punch – stainless steel or disposable
- Disposable Speculum with Chimney (e.g. for LLETZ procedures)
- Os Finder Sets
- Electrosurgical Loops (various sizes)
- Ball Electrodes & Hand-switch Pencils
- Cervical Dilators (disposable)
- Colposcopy Drapes (sterile disposable)

## 2. Infection Control & Prep

- Acetic Acid 3%
- Disinfectant Spray / Wipes / Bioscrub / Hibiscrub
- Gloves, aprons, face shields, and disposable drapes
- Specimen Containers (biopsy and cytology)

## 3. Pain & Bleeding Management

- Local Anesthetic Syringes & Needles
- Gauze swabs (8-ply)
- Surgical pads and cotton wool
- Vaginal packs (for biopsy recovery)
- Dental Stainless Steel Syringe
- Dental Needles – Long

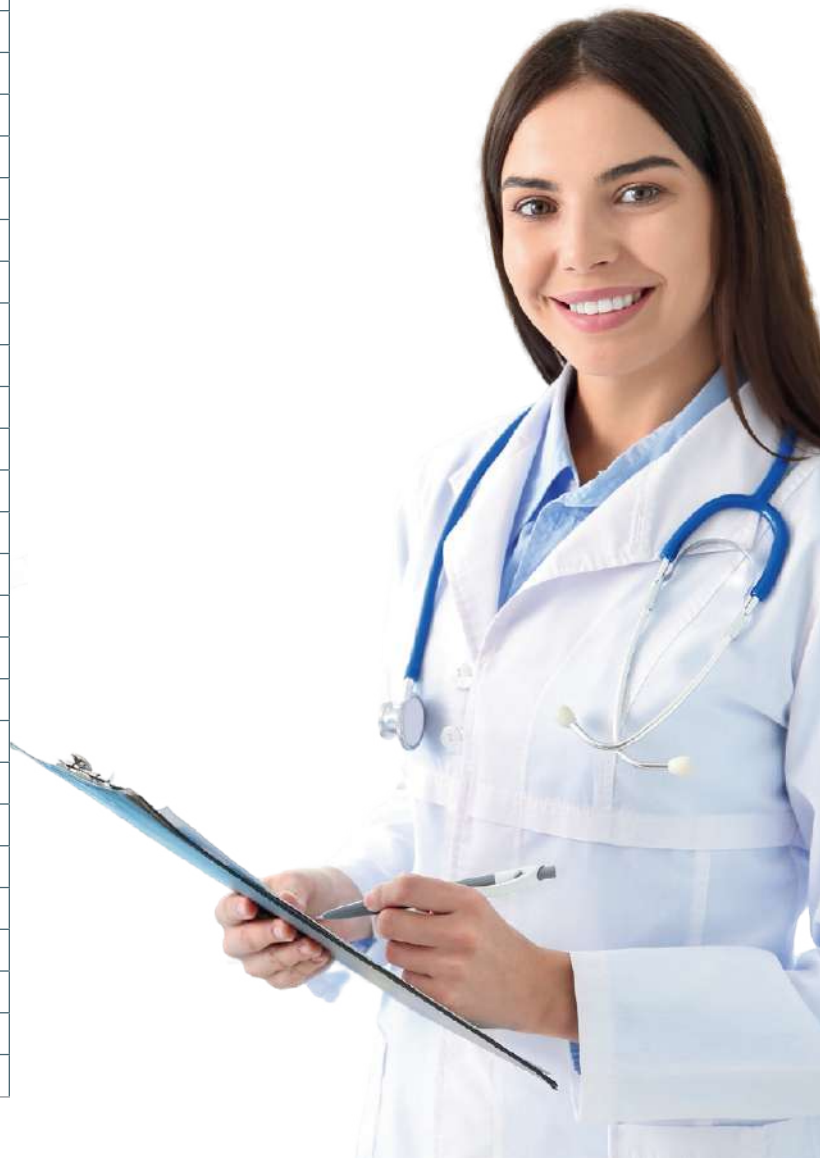

# SERVICE AND CALIBRATION

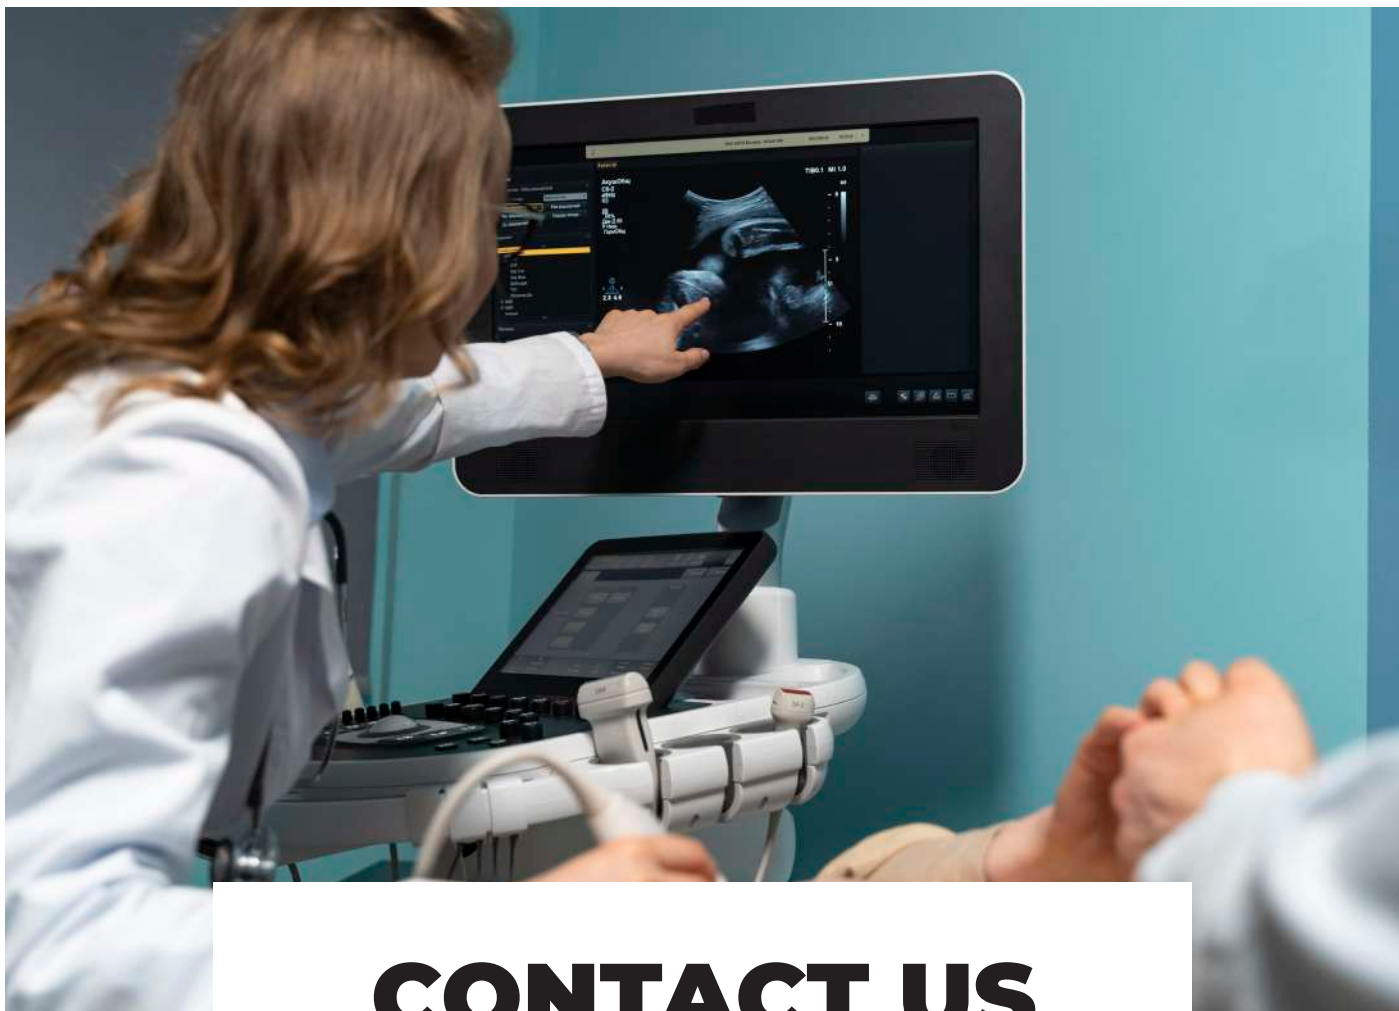

SURGI-CLIN has a workshop equipped with the latest technology and qualified engineers and technicians being responsible for the maintenance of all medical equipment. Our professional expertise enables us to provide quality advice and guidance, which effectively controls cost, eliminates waste and maximizes efficiency.

| Description                         |
|-------------------------------------|
| DEFIBRILLATORS MULTI PARAMETER      |
